## NOTICE OF INTENTION.

Notice is hereby given by the Board of Commissioners of Ogden City, Utah, of the intention of said Board to make the following described improvements, to-wit:

To create both sides of Ogden Avenue between 7th and 8th Streets for a distance of 398 feet, and on Second Street west from Washington Avenue beginning at a point on the south side of Second Street 344 feet west of Washington Avenue, and thence east to Washington Avenue and on the north side of the street from Washington to Wall Avenue as a sidewalk district, and to construct therein a concrete walk four feet wide and four inches in thickness, with the necessary intersections together with the necessary grading therefor, and to defray the whole of the cost thereof, estimated at \$1200.00, by a local assessment upon the lots or pieces of ground lying and being within the following district, being the district to be benefited and affected by said improvement, viz:

All the land lying between the outer boundary lines of said street and avenue, when opened as proposed, and a line drawn 50 feet outward from and parallel to the said outer boundary lines, being part of lots 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, block 6, plat "A," Ogden City survey.

All protests and objections to the carrying out of such intention must be presented in writing to the city recorder on or before the 8th day of September, 1913, at 10 o'clock a. m., that being the time set by the board of commissioners when they will hear and consider such objections as may be made thereto, at the mayor's office at the City Hall, Ogden City, Utah.

By order of the Board of Commissioners of Ogden City, Utah.  
Dated this 14th day of August, 1913.  
A. G. FELL, Mayor.  
H. J. CRAVEN, City Engineer.  
First publication August 14, 1913.  
Last publication September 5, 1913.

## NOTICE

Will Pay City Warrants.  
Notice is hereby given that the undersigned Treasurer of Ogden City, Utah, will pay City Warrants bearing Registry Numbers 22773 to 22936 all inclusive, and further that all such Warrants not presented to me for payment will cease to draw interest after August 25th, 1913.

WALLACE FOULGER,  
City Treasurer.  
Dated at Ogden, Utah, August 21, 1913.

are the Queen Elizabeth, the Warapite, the Barham and the Valiant. These are what are known as fast battleships, as although super-dreadnoughts with a displacement of about 7,500 tons, their designed speed will be twenty-five knots. Each of these ships is costing \$1,250,000, and it was vessels of this type that the British proposed Canada should build for the common defense of the empire.

The new fifteen-inch gun is evidently by no means the limit to the size of the weapons with which future battleships will be armed. Great Britain is now wrestling a 16.5-inch gun, while both the United States and Italy propose to use sixteen-inch guns. It has been clearly demonstrated that the larger the shell fired the greater damage is effected on the object hit, and when this feature is combined with increased accuracy in shooting, it is easy to realize why the caliber of the weapons used should be constantly increasing.

Victoria, B. C., Colonel.

## WEAPONS OF THE FUTURE

It appears to have been definitely decided that the latest British dreadnoughts will be armed with fifteen-inch guns. Some conception of the magnitude and power of this weapon can be gathered when we say that it weighs ninety-six tons and fires a shell of 1950 pounds, which is about two and one-third times as heavy as the shell fired by the first dreadnought. It is said that the increase in the size and power of the gun is not due to any desire for a longer range. The present twelve-inch gun can penetrate twelve inches of hard-ened steel at 15,000 yards. This distance is half as great as that over which the latest practice is usually carried out. The fifteen-inch gun weighs 50 per cent more than the twelve-inch gun, and the latter can be fired more rapidly—to be accurate at the speed of two rounds per minute, as opposed to 1.2 for the twelve-inch gun. There is one feature in which the larger weapon is said to excel, and that is that the increased caliber means improved accuracy in shooting. Experiments carried out in the United States showed that at a distance of 10,000 yards fourteen-inch guns had a 30 per cent greater accuracy than the twelve-inch weapons.

The tendency to increase the caliber of the big guns is universal. Germany is turning out a fifteen-inch weapon, which weighs eighty-two tons and fires 1675-pound projectiles. France is arming her latest ships with 13.4-inch guns, firing 1332-pound projectiles, and next year's ships will probably mount 15.7 inch weapons.

Japan is building a battle-ship to carry ten fifteen-inch guns, and has ordered three more vessels to be built. The latest battle-ship of Italy and Austria are to be similarly armed.

The British battle-ships on which these monster guns will be mounted

## LEGAL

## NOTICE OF INTENTION.

Notice is hereby given by the board of commissioners of Ogden City, Utah, of the intention of said board to make the following described improvements, to-wit:

To create both sides of Chester street from Washington Avenue east to Jefferson Avenue, also both sides of Capitol Avenue from Harrison to Van Buren Avenues as a sidewalk district, and to construct therein a concrete sidewalk five feet wide and four inches in thickness, with the necessary intersections together with the necessary grading therefor, and to defray the whole of the cost thereof, estimated at \$2,100.00, by a local assessment upon the lots or pieces of ground lying and being within the following district, being the district to be benefited or affected by said improvement, viz:

All the land lying between the outer boundary lines of said street and avenue, and a line drawn 50 feet outward from and parallel to the said outer boundary lines.

All protests and objections to the carrying out of such intention must be presented in writing to the city recorder on or before the 4th day of September, 1913, at 10 o'clock a. m., that being the time set by said board of commissioners when they will hear and consider such objections as may be made thereto, at the mayor's office, at the City Hall, Ogden City, Utah.

By order of the board of commissioners of Ogden City, Utah.  
Dated this 12th day of August, 1913.

Last publication September 3, 1913.

## NOTICE OF INTENTION.

Notice is hereby given by the Board of Commissioners of Ogden City, of the intention of said board to make the following described improvements, to-wit:

To lay out, establish and open a public street, to be named Doney Avenue, east and west through block 6, plat "A," Ogden City survey, said street to be 66 feet wide, being 33 feet north and 33 feet south of the lot line between lots 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, block 6, plat "A," Ogden City survey, the whole distance between Lincoln and Wall Avenues and to defray the whole of the cost thereof, estimated at \$3,500.00 by a local assessment upon the lots or pieces of ground lying and being within the following district, being the district to be benefited and affected by said improvement, viz:

All the land lying between the outer boundary lines of said avenue, when opened as proposed, and a line drawn 50 feet outward from and parallel to the said outer boundary lines, being part of lots 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, block 6, plat "A," Ogden City survey.

All protests and objections to the carrying out of such intention must be presented in writing to the city recorder on or before the 8th day of September, 1913, at 10 o'clock a. m., that being the time
